

4D EXPAND INTO NEW PREMISES TO ENHANCE THE NUMBER OF SOLUTIONS AND THE LEVELS OF SERVICE PROVIDED TO THEIR CLIENTS

September 2006

Congleton, Cheshire, UK ~ 4D are pleased to announce that they have relocated into new premises in Dane Mill, Congleton in Cheshire.

The company has taken an initial two office suites and has an option for more in the New Year to cater for their further expansion plans.

Dane Mill is some 214 years old with construction originally started circa 1792 and was built for the production of silk and later velvet. Overall the mill covers approximately 44,000 sq. ft.

4D has already executed a rapid expansion plan during the last twelve months seeing the company achieve silver reseller status for the Cognos suite of Business Intelligence tools, including ReportNet and Cognos 8 and become the exclusive partners in the United Kingdom and Ireland for the EnVisn suite of management tools for Cognos Administrators and Managers.

Mark Lear, Business Development Manager said, "*the relocation allows the company to progress to another level in the variety and quantity of solutions that we provide, as well as enhancing the levels of service to our clients. The foundations are now in place for us to build on the success of the past year and create a greater presence for 4D in the Business Intelligence arena*"

About 4D ~ 4D is located in Congleton in Cheshire. The company is built on providing a high level of consultancy, training and service for Cognos Business Intelligence and EnVisn Management Tools for Cognos, delivering end to end Management Information Solutions, Business Intelligence Applications and Data Warehousing Projects to enable business analysts and professionals to make informed decisions. We do this by providing them with access to their data and presenting it back to them in a meaningful manner, which allows them to make business decisions more quickly and accurately than ever before. The company's BI solutions then continue to monitor and measure the company's performance against their Key Performance Indicators.
